

### From Our Minister – Karen Ptolemy-Stam

This week I want to say a special thank you to Kathy Stewart for organizing such a lovely Volunteer Appreciation Dinner for our St. Paul's volunteers. A wonderful evening was enjoyed by many. We also appreciated our Guest Speaker, Cindy Ball, the Director of Philanthropy at Waypoint Centre for Mental Health.

This coming Sunday marks the transition for Shaun McIntosh from our student minister to a parishioner in the pew again. He is not leaving us but has successfully completed his university course requirements from Emmanuel College, the University of Toronto. Shaun continues on his path toward ordination, discerning his call to be a minister in the United Church of Canada. Please come out and hear about some of the insights of working five hours a week here and how we journeyed together in this. It has been a joy to have had Shaun in this position this past year.

We will also be celebrating Earth Day this Sunday. Click on the link below to join us online or better yet come and join us. There is an in-person Coffee Hour following the service so you can touch base with Shaun there too.

Barb Carswell's team is hosting social hour this Sunday. Thank you to the hosts, their teams, the 'cookie volunteers' and those that help with social hour in any way. We recognize what a valuable connecting event that this is.

If you have a red dress that you are no longer wearing and would be willing to donate it to the church, we would appreciate it. You can bring it in on Sunday or this coming week during office hours.

Thank you in advance.

## **Butter Tart Festival Fundraiser**

Once again, St. Paul's will be holding a 'penny raffle' during this year's Butter Tart Festival **on June 8<sup>th</sup>**. Please contact Sheila at 705-526-2186 or by e-mail at [rmsmt2612@gmail.com](mailto:rmsmt2612@gmail.com)) for further info.

## **Lifelong Learning**

We have received many requests for information about caregiving and navigating the health care system. In response, we will be hosting guests from the Ontario Caregivers Association and a system navigator from the Couchiching Ontario Health Team. Stay tuned for more details.

I know that many of you have enjoyed the Lifelong Learning events. As I look to the end of my tenure at St. Paul's, I am wondering if anyone would want to help out on this committee. At present there are three of us who have organized the speaking events and we would love some extra help. We have lots of good ideas for the future! Please e-mail Kathy Stewart at [volunteerspucmidland@gmail.com](mailto:volunteerspucmidland@gmail.com) if this is something that is of interest to you.

## **Guest House Shelter-Volunteer Appreciation**

If you are one of the volunteers who help with the meal preparation or helped with the Coldest Night of the Year event, please help yourself to a "thank you" gift from their volunteer coordinator, Darlene. Just slide the glass open on the right side of the big display case in the atrium and help yourself to a key chain.

## **Office Hours**

The office is open on **Tues., Wed. and Thurs.** mornings from **9:00 a.m. until noon.**

## **This Week's Minute for Mission**

*We would like to share a wonderful thank-you letter we received from Bissell Centre, a Mission and Service partner located in Edmonton. We're sharing it with you with deep gratitude and thanks for your generosity.*

Thank you to the wonderful people of The United Church of Canada. It's with gifts like yours that we're able to meet people facing poverty and houselessness where they're at. We look forward to collecting and sharing more stories with you, like this one about Jon:

Jon is one of the community members at Bissell Centre and has a passion (and talent) for art. In fact, he's been named Bissell's artist in residence. His work has been commissioned by Bissell to provide an authentic, community-made element to our event advertising, our annual impact reports and several donor thank-you gifts.

His pieces often feature powerful imagery drawn from his Indigenous heritage and always in a spirit of celebration. His art was the focal point of the event poster for Bissell's celebration of National Indigenous Peoples Day [in 2022]. Inspired by the love and support he has received, Jon wanted a way to give back.

He designed, organized and now facilitates a weekly art program called "Good Art." In the workshops he guides people to express themselves in a healthy way through art that means something to them. Folks are encouraged to share about the art they make at the end of each workshop as way to build and strengthen community.

Your support provided a space for this to happen, and your gifts are having a palpable impact in the lives of Edmontonians facing poverty and houselessness.
